If FCFK is unable to provide the classes as set forth above because of an unscheduled closure of the school (i.e., snow day) no refund will be offered for the unfulfilled classes. HOWEVER, if FCFK is unable to provide the classes for any other reason (including school closure due to Covid), we will offer a discount for a future session of Fit Club, prorated for the number of classes that are not completed.

Per East Side Administration, all participants in after-school enrichment programs are required to register for the After School Program (ASP) even if you do not plan to use ASP on a regular basis. Please register for ASP if you have not already done so.

I hereby release my child into the care of the Fit Club staff during one of the above-listed times. I understand that he/she will be participating in fitness activities that involve some inherent risk. I release Fit Club for Kids, Cobb County School District, East Side Elementary, and East Side Elementary Foundation from liability related to such activities and risk. I also agree that my child may be included in pictures that are posted from time to time to Fit Club's Facebook page or website.
